# group fitness class descriptions

## athletic training

**diesel:** An interval training class consisting of high-rep and low-weight strength training and cardio interval bursts. What a great way to start your day!

## bike training

**spinning:** Match terrain to tempo with all the energy of a rock concert. You'll encounter slow climbs, short sprints and everything in-between.

## cardiovascular training

**dance rhythms:** Variety of music and dance steps. You'll feel like you're dancing on Broadway!

**group fight:** An explosive MMA cardio and strength training workout. This class adds variety to your training, improves timing, precision, and focus. Plus it's a fantastic way to kick stress out of your life!

**step:** An oldie but goodie, this class has proven itself to be a calorie burning, cardiovascular, and fun workout using an adjustable step platform and high-energy music.

**saturday step & abs class:** Faster paced class-previous step experience helpful.

**group active:** Group active gives you cardio, strength, balance, and flexibility - in just one hour. Get stronger, fitter, and healthier with inspiring music, adjustable dumbbells, weight plates, body weight, and simple athletic movements.

**zumba:** A fusion of Latin and international music. Zumba combines high energy with unique moves that are fun and easy to do!

**strong:** A high intensity interval class - Just think burpees, pushups, and other high-impact moves - that is synced to specific and fun music! Combines body weight, muscle conditioning and works your whole body!

## cross training

**kickbox:** Boxing and kicking combinations that challenge your coordination and stamina making for an energizing workout.

## mind,body/flexibility training

**barre:** This class begins with a warm up focusing on postural strength and alignment, followed by a series of upper body exercises using light weights. We replace the ballet barre with a chair, which will be used to sculpt the lower body, abs, and for flexibility training.

**group centergy:** Grow longer and stronger as you explore this 60-minute journey of yoga and pilates movements. Positive uplifting music, group dynamics and supportive instructors will enable you to center your energy, reduce your stress and even smile.

**stretch:** A full-body stretch meant to lengthen your muscles and relieve physical tension.

**tai chi:** Learn to relax using your breathing. The slow graceful moves of this art will increase core strength, balance, and flexibility.

**yoga:** A mind and body training program that will change the way you feel about your body forever.

You'll stand straighter, feel stronger, and become more flexible. Designed for all fitness levels, this class will reduce your stress and relieve your pain.

## senior fitness

**silversneakers® circuit:** Combine fun and fitness to increase your cardiovascular and muscular endurance power with a standing circuit workout. Upper body strength work using hand-held weights, elastic tubing with handles, and a small ball is alternated with low-impact aerobic choreography. A chair is offered for support, head to toe stretching, and complete relaxation in a comfortable position.

**silversneakers® classic:** Have fun and move to the music through a variety of exercises designed to increase muscular strength, range of movement, and activity for daily living skills. Hand-held weights, elastic tubing with handles, small ball for resistance, and a chair is used for seated and/or standing support.

## strength training

**group power:** Your hour of power ! This 60-minute barbell program strengthens all your major muscles in an inspiring, motivating group environment with fantastic music and awesome instructors. With simple, athletic movements such as squats, lunges, presses and curls, Group Power is for all ages and fitness levels.

**progressive training:** This will develop dynamic strength, balance, flexibility, endurance and agility that carry over into your daily activities and sports performance. The body adapts to exercise and needs to be constantly challenged in order to continue to grow and change! Progressive training is for all ages and fitness levels.
