Group fitness class descriptions

bike training

spinning: This class matches terrain to tempo with all the energy of a rock concert. You'll encounter slow climbs, short sprints and everything in-between.

cross training

bodycombat: A cardio based interval training workout where you are totally unleashed! This fiercely energetic program is inspired by martial arts and draws from a wide array of disciplines such as karate, boxing, tae kwon do, tai chi and mucky tai. Strike punch and kick your way through calories to superior cardio fitness. Unleash yourself!

basic training: A high-intensity "military-style" interval class using "basic training" conditioning and power moves. No dance steps, and no experience necessary, just the desire to raise your heart rate to it's maximum while giving you an overall workout.

INSANITY: You've seen it on TV. Now available at Big Sky. The # 1 cardio workout in the country, packed with plyometric drills on top of nonstop intervals of strength, power, resistance, and ab and core training.

zumba: Zumba fuses hypnotic latin rhythms and easy to follow moves. The routines feature interval training sessions where fast and slow rhythms, and resistance training are combined to tone and sculpt your body while burning fat.

mind, body & core

bodyflow: is the Yoga, Tai Chi, Pilates workout that builds flexibility and strength and leaves you feeling centered and calm. Controlled breathing, concentration and a carefully structured series of stretches, moves and poses to music create a workout that brings the body into a state of harmony and balance.

core yoga: An express 45 minute class to build up sweat while focusing on core muscles. Tone and lengthen through challenging poses, and receive a deep stretch all in one class. Your mind and body will reap the benefits; expect to leave class feeling de-stressed and strong.

cxworx : Looking for a short, sharp workout that'll inspire you to the next level of fitness, while strengthening and toning your body, cx worx is for you! It hones in on the torso and sling muscles that connect your upper body to your lower body. It's ideal for tightening your tummy and butt, while also improving functional strength and assisting in injury prevention.

pilates: Accomplish physical and mental conditioning through floor exercises performed with specific breathing patterns. Pilates will strengthen your major muscle groups, improve your whole body alignment, and increase your flexibility.

power yoga: Power Yoga emphasizes getting into shape as a means of boosting both your physical and emotional well-being. The practice is based on the balance of strength and flexibility. With Vinyasa flow and inversions will reconnect you to your power, challenges body and mind, builds core power, promotes a cleanse and offers the opportunity for deep healing and release.

open level yoga This hour long yoga class is open to all students from first timers to advanced yogis. Modification will be given for beginners throughout the class, as well as variations for those who want a challenge. Students will focus on syncing breath with movement and body awareness. Class will finish with seated stretches and a relaxing Savasana. A great class for everyone!

yoga sculpting: A mixed style power yoga class incorporating light weights. Modifications are given allowing the students to choose the level of difficulty according to their needs. A great way to sculpt while getting all of the benefits of yoga class.

strength training

bodypump: bodypump is the revolutionary new weight-training workout in a group fitness setting. You'll use barbells with adjustable weights, set to motivating music, and you'll burn up to 600 calories in an hour. **WARNING:** bodypump is an exercise routine that gets results...fast!

boot camp: high intensity interval training class featuring a quick intense dynamic warm-up followed by a strength training circuit, every workout will change giving you a new challenge each week!

powersculpt: Expect to get busy in this class with the use of weights and alternating repetitions. This class is for the serious fitness worshipper who likes workouts to be hard - just like their body.
