pool guidelines

So that everyone may enjoy access to the pool, we need your help in following some simple courtesy guidelines:

- Class participants: please do not enter the pool more than 15 minutes before a class starts to allow lap swimmers to finish their workouts.
- The pool closes $\frac{1}{2}$ hour before the club closes so members can have adequate time to shower or change and the club can close on time. The pool closes at **9:30p Monday through Thursday, 8:30p Friday, 4:30p Saturday and 1:30p Sunday.**
- **lap & physical therapy:** The pool is divided in half. The lap side is on the side on the shower. The fitness side is on the side of the stairs. The fitness section of the pool is to be used for general exercise other than lap swimming. The fitness side is shared with ECHN Physical Therapy and swim lessons. Please limit your time in the lap side to 20 minutes when others are waiting.
- Only class participants are allowed in the pool area during Aqua Classes.
