

## **Big Sky's "Flying Fish" Swim Team**

- Swimming is an awesome sport for kids. It helps them develop good sportsmanship, teamwork and discipline . . . all while having fun with friends !
- The "Flying Fish" is Big Sky's year-round competitive swim team, offering instruction for children ages 5 and up.
- Our goal is to introduce kids to the sport of competitive swimming, and all four of the competitive swim strokes.
- Every child is taught how to improve their swimming skills, and they get to experience success at their own pace.
- Based on your child's level, practices range from 45 – 90 minutes each.
- Beginners will swim up to three practices per week, Intermediate up to four practices per week, and Advanced up to four practices per week.
- This is a "no cuts" program. Our "Flying Fish" swim team gives kids the chance to be a part of a team in a fun, supportive environment !
