class descriptions *

bike training

biker barre: A unique combination of Spinning and Barre set to high energy motivating music.

spin interval & arms: don't forget your upper body!! Get a great cardio workout on the bike while mixing in high rep/light weight upper body work.

spinning: This class matches terrain to tempo with all the energy of a rock concert. You'll encounter slow climbs, short sprints and everything in-between.

mind, body & core ****Please bring your own mat and props to class****

Pilates/barre fusion: This class involves the principles and movements of a traditional Pilates class while incorporating a blend of ballet-inspired elements. Barre Fusion often focuses on small, isometric movements delivering a full-body workout. Especially great for strengthening your core and toning your glutes and legs.

pilates matwork: Accomplish physical and mental conditioning through floor exercises performed with specific breathing patterns. Pilates will strengthen your major muscle groups, improve your alignment, and increase your flexibility.

power flow yoga: A faster moving yoga class designed to challenge those with some yoga experience. More advanced poses are demonstrated and less verbal instruction may be given, as poses may be linked together in a "flow". Come hydrated and prepared to sweat!

all levels yoga: A mind and body training program that will change the way you feel about your body forever. You'll stand straighter, feel stronger and become more flexible. Designed for all fitness levels, this class will reduce your stress and relieve your pain.

yoga foundations: A great place to begin your yoga practice or to keep refining your form and technique.

cardio

cardio-kick: A cardio based interval training workout where you are totally unleashed! This fiercely energetic program is inspired by martial arts and draws from a wide array of disciplines. Strike punch and kick your way through calories to superior cardio fitness.

cardio-core: A combination of aerobics and step guaranteed to have you breaking a sweat! Finished off with a series of floor exercises to help you strengthen your back, abs and hips.

cardio-interval: each week the intervals and equipment used could change to make for increased calorie burn and a total body workout. Some weeks could be kickbox intervals, other weeks it might be a boot-camp style workout, step or cardio drills. One thing is for sure... every week you'll sweat!

zumba®: Zumba fuses hypnotic latin rhythms and easy to follow moves. The routines feature interval training sessions where fast and slow rhythms, and resistance training are combined to tone and sculpt your body while burning fat. Get ready to DANCE!!

strength training

bodypump: Bodypump is the revolutionary new weight-training workout in a group fitness setting. You'll use barbells with adjustable weights, set to motivating music, and you'll burn up to 600 calories in an hour. **WARNING:** Bodypump is an exercise routine that gets results...fast!

buff 101: Resistance training class designed to tone, condition, and define major muscle groups using hand-weights, body-bars, and/or exer-tubes. Followed by a total body stretch.

hard core: Torch your core (from shoulders to hips and everything in between). This 30-minute class helps you build functional strength and prevent injury. Options are shown for all fitness levels. Stronger Core. Stronger Everything!
