

swimming & water safety lessons registration options – farmington

Here's how we do it:

- We keep the lessons small enough that your child will get consistent and appropriate feedback and encouragement from his/her Swim Instructor.
- The more often your child is in the water with us, the quicker they'll learn to be comfortable and safe in the water !

Just a few options we need to decide on:

- 1) Would you be more comfortable with the lessons being Small Group* (3+ children), Semi-Private (2-on-1), or Private (1-on-1) ?
- 2) Frequency: your child can work with their Swim Instructor:

1x per week
2x per week
3x per week

Lessons are 30 minutes each and you can increase or decrease their frequency at any point. Most parents start out with at least twice-a-week.

How many lessons per week do you want your child to have ?

*Small Group lessons require a minimum of 3 children signed up prior to the session start date.
